#### **\*\*Discount Scheme**

We can offer a **30% reduction** on the above prices for Educational and Government Institutions. Discounts are also available for purchase orders of more than one system. Above prices include delivery by Fedex.

#### **Validity of Quotations**

Our standard quotation is valid for three months and is provided in the customer's own currency. It is common for Photonic Research Systems' products to be used within the context of a funded research grant and we are therefore happy to provide quotations which are valid for an extended period in order to allow for the budgeting requirements of a given researcher. Please let us know if you require an Extended Quotation Validity Period.
